Semantic Noise

- [157] 1: Yeah, and for me, like, I'm closer to my college friends than I am to large sections of my actual, like, biological family, so --
- [158] 2: Well, you don't see 'em, probably.
- [159] 1: Uh --
- [160] 2: Just at holidays, do you.
- [162] 1: -- I see 'em once in a while but not so much.
- [163] 1: Oh gross, there's this huge bug with giant teeth on it outside of my house.
- [164] 2: [LAUGH]
- [165] 1: Wow.
- [166] 1: It's got, like, these [MN] gripping teeth on it that are about half an inch long.
- [167] 2: G- -- it's -- it's a bug?
- [170] 1: Yeah, it's like a big beetle.
- [171] 2: Oh, ick. [LAUGH]
- [172] 2: They grow much longer down there, don't they?
- [173] 1: Yeah, they do.
- [174] 2: They have a longer growth. [LAUGH] I'm glad I don't --
- [175] 1: Wow, I'm just starting to bite my keyring.
- [176] 2: -- they -- they turn into critters, huh? [LAUGH]
- [177] 1: [LAUGH] Yeah.
- [178] 1: Ah, it's running away now.
- [179] 1: It was flipped onto its back, so I turned it over.
- [180] 2: [LAUGH]
- [181] 1: Ew. [LAUGH]

- [178] 1: Ah, it's running away now.
- [179] 1: It was flipped onto its back, so I turned it over.
- [180] 2: [LAUGH]
- [181] 1: Ew. [LAUGH]

Goals

Goals

— [Can we model this phenomenon?

Goals

[Can we model this phenomenon?

[Can we automatically detect irrelevant regions?

Approach

- [Related research on small talk and conversational speech
 - Greetings and Partings
 - Past tense stories, present tense small talk

Approach

— [Related research on small talk and conversational speech

- Greetings and Partings
- Past tense stories, present tense small talk

— [My approach: Apply machine learning techniques to conversations to see if these suggestions are actually useful, or if other attributes are better.

“Do either of you have a pet? If so, how much time each day do you spend with your pet? How important is your pet to you?”

[1] 2: Hello.

[2] 1: Hello.

[3] 2: Hello.

[4] 2: I'm Richard.

[5] 1: Ah, my name is Devin.

[6] 2: Hi, Devin.

[7] 1: Hi.

[8] 2: Have you got a pet?

[9] 1: Huh?

[10] 2: Do you have a -- a pet?

[11] 1: I have two turtles.

[12] 2: You do?

[13] 1: Yeah.

[14] 2: Well, what are their names?

[15] 1: Um, I don't think they have names.

[16] 1: We never gave 'em names.

[17] 1: We had 'em for a long time and --
I don't know.

[18] 1: Th- they don't have names.

[19] 2: Yeah -- yeah.

[20] 2: Well, I got two dogs.

[21] 1: Two dogs.

[22] 1: What's their names?

[23] 2: Ah, Hollywood and Twinkles.

[24] 1: Hollywood and --

[25] 2: Great names, aren't they?

“Do either of you have a pet? If so, how much time each day do you spend with your pet? How important is your pet to you?”

- [1] 2: Hello.
[2] 1: Hello.
[3] 2: Hello.
[4] 2: I'm Richard.
[5] 1: Ah, my name is Devin.
[6] 2: Hi, Devin.
[7] 1: Hi.
[8] 2: Have you got a pet?
[9] 1: Huh?
[10] 2: Do you have a -- a pet?
[11] 1: I have two turtles.
[12] 2: You do?
[13] 1: Yeah.
[14] 2: Well, what are their names?
[15] 1: Um, I don't think they have names.
[16] 1: We never gave 'em names.
[17] 1: We had 'em for a long time and --
I don't know.
[18] 1: Th- they don't have names.
[19] 2: Yeah -- yeah.
[20] 2: Well, I got two dogs.
[21] 1: Two dogs.
[22] 1: What's their names?
[23] 2: Ah, Hollywood and Twinkles.
[24] 1: Hollywood and --
[25] 2: Great names, aren't they?

Small Talk

On-Topic

Do either of you think public or private schools have the right to forbid students to read certain books?

[145] 1: That's a rough one. [LAUGH]

[146] 2: I know. [LAUGH]

[147] 1: I mean, I was on the message board about this thing and some people were talking about, like, pets; how much time they spend with their dogs and stuff like that.

[148] 1: I'm, like, I want that one. [LAUGH]

[149] 2: [LAUGH]

[150] 1: And this is my first one and I'm, like, holy crap. [LAUGH]

[151] 2: [LAUGH]

[152] 1: This is stuff that people debate over for, like, weeks, you know.

[153] 2: [LAUGH] I know.
